

FERRERO®

Create Your Own FERRERO ROCHER® Holiday Pyramid!

Create a beautiful centerpiece, holiday decoration or delicious dessert to enjoy this holiday season.

You need:

- FERRERO ROCHER® (approx. 95 chocolates for 12" pyramid or 35 chocolates for a 6" pyramid)
- 1-12" or 6" Styrofoam cone
- 1 package of sharp, double-sided wooden toothpicks

1
Insert toothpick into bottom of a FERRERO ROCHER® (2cm)

2
Slide toothpick into the Styrofoam cone to start the bottom ring

3
Repeat until bottom ring is complete (10-12 chocolates for a 12" cone)

4
Begin the next ring, offsetting chocolates from the row below

5
Add rings until a final chocolate is placed on top of the pyramid

6
Gently place pyramid on holiday plate

Get creative! Personalize your pyramid by adding things like a small tree-topper or ribbon. Or create an assorted divine creation using FERRERO COLLECTION, or a dark chocolate divine delight with FERRERO RONDNOIR.
